NFC Committee Elections 2019
Nominations Sheet

There will be three vacancies on the committee, one to replace Iain Bowley and two to replace Nick and Lin Tysoe, who will be standing down in line with the Northwich Folk Club Constitution. Dave Vaughan was temporarily co-opted to fill Iain's place. He will be standing for election, as will Nick and Lin.

The members of the committee who will remain in place without the need for re-election are Pete Thompson, Steve Wilde and Brenda Yates.

Committee members carry out a variety of duties and share the responsibilities of running the club. It is helpful if committee members are willing to run nights. The committee meets quarterly, sometimes more often, to review and plan.

Northwich Folk Club members are invited to make nominations by **Friday 22nd February,** either on the sheet on the notice board or electronically to tickets@northwichfolk.co.uk . Please obtain permission before submitting the nomination. All nominations require a proposer and a seconder.

Nominees must have current membership of the club of at least 12 months' standing.

There will be en election if there are more than three nominations, in which case members will receive a voting slip and a brief description of the contribution nominees feel they can make to running the club.
